1
ASSIGNMENT AGREEMENT

2 WHEREAS, Ideograph LLC, a limited liability corporation
3 organized and existing under and by virtue of the laws of the State
4 of Illinois, with a principal place of business at 5315 North Clark
5 Street, #276, Chicago, Illinois 60640 (hereafter referred to as
6 "Assignor"), may have and/or will have rights to one or more
7 improvements, discoveries and/or inventions relating to Lottery
8 Methods And Apparatus (all of the foregoing hereinafter referred
9 to, individually and collectively, as the "Technology"), and
10 WHEREAS at least one patent application for Letters Patent in the
11 United States of America may be made for at least some of said
12 Technology, said patent application bearing Serial No. 10/812,205
13 filed on March 29, 2004 (authority being hereby given to
14 complete the above identification data when available); and

15 WHEREAS, Interstate Lotto Corp. (hereafter referred to as
16 "ILC") a corporation organized and existing under and by virtue of
17 the laws of the State of Washington, with a principal place of
18 business at 2625 259th Court S.E., Sammamish, Washington 98075, is
19 desirous of securing the entire and exclusive right, title and
20 interest in and to said Technology, together with all United
21 States, foreign, and international patent applications which may be
22 filed on said Technology, together with all U.S., foreign, and
23 international priority rights with respect to all of said patent
24 applications, together with all United States, foreign, and
25 international patents which may issue on all of said patent
1 applications, whether said patents issue directly, by substitution,
2 by division, by extension, by continuation, by continuation-in-
3 part, by reissue, by reexamination, or by any other means, and
4 together with the entire and exclusive right to sue for and be
5 awarded all remedies regarding all causes of action arising out of
6 all infringement of said Technology, patent applications and
7 patents;

8 NOW, THEREFORE, in consideration of the sum of One Dollar
9 (\$1.00) in hand paid, and other good and valuable consideration,
10 the receipt and sufficiency of which are hereby acknowledged by
11 Assignor, Assignor by these presents does grant, sell, assign and
12 transfer unto ILC its entire and exclusive right, title and
13 interest in and to all of said Technology, patent applications,
14 priority rights, patents, and right to sue for and be awarded all
15 remedies (all of the foregoing hereinafter referred to,
16 individually and collectively, as the "Transferred Rights And
17 Things"); said Transferred Rights And Things to be held and enjoyed
18 by ILC for its own use and for its assigns, transferees,
19 successors and legal representatives, as fully and entirely as the
20 Transferred Rights And Things would have been held by Assignor had
21 this Assignment Agreement not been made. One of the patent
22 applications subject to this Assignment Agreement is the patent
23 application above identified by filing date and serial number.

24 Assignor requests that all of said Letters Patent be issued to
25 ILC as assignee of the entire interest therein.
